
DISTANCE EDUCATION ACCREDITING COMMISSION

STUDENT ACHIEVEMENT DISCLOSURE FOR THE PUBLIC

DEAC accredited institutions offer a broad array of instructional programs and student support services to meet varied educational and professional goals of a highly diverse student population. Institutions determine appropriate performance criteria to measure the success of their students in achieving their goals in the context of the institution's specific mission and scope. You will find below (1) a summary of how this institution measures student achievement in the context of the institution's mission and educational programs, and (2) student achievement metrics which the institution believes best reflect student and program performance. For more information about DEAC standards and requirements, please visit www.deac.org.
